

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. The pandemic will not stop College Park from giving our residents a joyous holiday! Residents will receive a traditional Thanksgiving meal with all of the trimmings, music and memories will be shared to keep everyone in the holiday spirit, and staff will be on hand to ensure it is a special day in every way we can.

Also, as a reminder, visitations for the holiday are as follows:

Window Visits Only: 1-4 PM. All Visitors must check in at the main entrance before visiting.

As a reminder, our total number of cases to date are as follows: 44 residents and 31 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at College Park Rehabilitation Center I wish you a happy and safe Thanksgiving.

Sincerely,

Julie Liebo
