

WEEKLY UPDATE

09/18/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the onset of this virus, we have had 35 residents and 28 staff members test positive for COVID-19.

To ensure the safety of our staff and residents, we are currently testing all of our staff twice a week, every week, per state guidelines. This will be done until further notice.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-644-1888.

Sincerely,

Julie Liebo

WEEKLY UPDATE AND NOTIFICATION OF NEW CASE

09/02/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility and notification that we received confirmation that a staff member tested positive for COVID-19 on August 28th, which brings our total numbers to 35 residents and 27 staff members that have tested positive for this virus. Currently we do not have any confirmed positive COVID-19 residents. The staff member that tested positive for COVID-19 has not worked in our facility since Tuesday, August 25, 2020.

To ensure the safety of our staff and residents, we are currently testing all our staff twice a week, every week, per the state guidelines. This will be done until further notice.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-644-1888.

Sincerely,

Julie Liebo

WEEKLY UPDATE

09/24/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the onset of this virus, we have had 36 residents and 28 staff members test positive for the virus. In order to ensure the health and safety of everyone at College Park, we have continued to remain in compliance with mandated twice a week testing of all staff as well as weekly testing for residents. In doing so, we discovered two staff test positive, and were immediately sent home to quarantine. These staff members will continue to isolate until appropriate policies are undergone that will allow them to return to the facility. Additionally, we have had one resident test positive as well as exhibit symptoms of COVID-19. The resident was then immediately discharged to the hospital. As a result, we currently do not have any COVID-19 positive residents in house.

We realize the difficulties that come with being unable to see your loved ones, and we are continuing to closely monitor the situation in hopes that we can reopen for visitation soon. However, for the meantime, for the safety and well-being of our residents, please continue to reach out to your loved ones through phone, FaceTime, letters, and e-mail and feel free to contact us directly if you need assistance facilitating that communication. We are also currently allowing (closed) window visits for the friends and family of our resident as well. Family members and friends are able to call into the facility to let the staff know they would like a window visit, and the staff will help the resident see their loved one through the window.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-644-1888.

Sincerely,

Julie Liebo
